EXPERIENCE

SEPTEMBER 13, 2002 - PRESENT: LICENSED APPRAISER

*Appraise all types of residential properties including single family, 2-4 family, condominiums, vacant land/lots, and town homes.

AUGUST 2001 - SEPTEMBER 2002: REGISTERED APPRAISER

APPRAISAL EMPHASIS

MORTGAGE LENDING: The majority of my mortgage lending work has been with Credit Unions, individual homeowners, and real estate agents. I do not appraise for Appraisal Management Companies (AMC's) and do not perform FHA or VA appraisals.

ATTORNEY SERVICES: Since January 2010, I have performed hundreds of appraisals for Estate Planning purposes, dissolution of marriage, civil partition, and bankruptcy cases. I have testified in Jefferson, Elbert, Arapahoe, Adams, Denver, Gilpin, Douglas, Broomfield, and Boulder County Courts. I also provide valuation services to the Loss Prevention Departments of many of my Credit Union Clients.

APPRAISAL SPECIALIZATION

In addition to performing appraisals on all types of residential properties and land, I specifically specialize in front range acreage horse properties and close-in mountain properties. I lived on a 2.5-acre horse property from 2003 – 2016 and understand the challenges these types of properties present to an appraiser. I have appraised in nearly every mountain subdivision between Bailey and Red Feather Lakes. These properties are typically more complex, and more difficult to accurately appraise, than homes located in tract housing subdivisions and neighborhoods.
